Jungle Gyms South Africa

@junglegymssa

About us

Jungle Gyms South Africa is a registered, family-run business dedicated to building quality play equipment for South African families, schools, and communities.

From humble beginnings to a leading supplier of jungle gyms and soft play areas, our mission has always been the same: safe, creative, and affordable fun. We manufacture everything from steel and wood to recycled plastics. We also offer custom builds and unique requests like teddies, pet furniture, and artificial grass installations.

Join our happy customer community and see why we're trusted nationwide.
