Jungle Gyms South Africa did the things, and my kids wer ecstatic. I wanted to surprise the kids and these guys where so accommodating. They came early, got the set up in no time. And when the little ones arrived frim school, it was such a sight.

I will be recommending them to all, because of their workmanship, speedy delivery and neatness. (I didn't have to clean anything up after they left).

The friendly service is also admirable.

Thank you once again [#JungleGymsSouthAfrica](#)
