Jungle Gyms South Africa

A photograph of a yellow slide and a colorful climbing frame in a workshop. The slide is a bright yellow, curved plastic slide that is leaning against a brick wall. Behind it is a climbing frame made of red, yellow, blue, and green metal poles and rings. The floor is concrete and cluttered with various items, including a blue gas cylinder, a white container, and some papers. A white cloth is hanging on the brick wall in the background.

A photograph of a playground area. In the foreground, a red and blue play structure, resembling a small car or a piece of exercise equipment, sits on a brick-paved path. The structure has a red body and blue wheels. To the right, a yellow metal frame is visible. In the background, there is a wooden structure with a thatched roof and some greenery.

Jungle Gyms South Africa

Jungle Gyms South Africa
0769995599

A red and blue toy car, resembling a small open-wheel race car, is positioned on a brick-paved path. The car has a red body, blue wheels, and a yellow mesh seat. A blue steering wheel is visible. The background shows a wooden fence and some greenery.
